

Interview

FIND THE RIGHT FIT

YOU

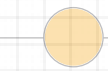

- Interview architects and choose the best fit. A good fit is essential.
- Interview general contractors (GC), if you haven't selected one already. **
- Vow to communicate priorities clearly with the project team.
- Keep an open mind.

US

- Be prepared.
- Be ourselves.
- Listen carefully.
- Assess if we can help achieve your goals.

AGENDA

- Tell us about the site.
- Tell us what you know about the program.
- Tell us problems to solve.
- Do you have a proforma or budget?
- Consider known soft costs.
- Identify your contingency to cover unknowns.
